20 CHATGPT IMAGE STYLE CODES

Fast, reusable prompt shortcuts for turning an ordinary idea into a scroll-stopping visual.

HOW TO USE THIS PACK

1. Pick a code. 2. Replace the brackets. 3. Paste the expansion into ChatGPT.

These codes are creator-made shorthand—not built-in ChatGPT commands. The full prompt beneath each code is what does the work.

THE SIMPLE RULE

CLEAR SUBJECT + CLEAR STYLE + CLEAR CONSTRAINTS

CODES 01—05

01 /cinematic

TURN A SIMPLE SCENE INTO A FILM STILL.

Cinematic 35mm frame of [SUBJECT], dramatic motivated lighting, shallow depth of field, atmospheric detail, rich film color grade, intentional composition, no text or logos.

TRY IT: a coffee mug on a late-night diner counter

02 /editorial

GIVE IT PREMIUM MAGAZINE ART DIRECTION.

Premium editorial image of [SUBJECT], confident art direction, refined styling, controlled color palette, intentional negative space, crisp detail, magazine-ready composition.

TRY IT: a founder working from a tiny studio

03 /product

MAKE AN EVERYDAY ITEM FEEL AD-READY.

Studio product hero of [SUBJECT], clean seamless set, sculpted key light and soft fill, realistic material detail, polished commercial photography, space for a headline, no branding.

TRY IT: a red notebook with a black pen

04 /stopmotion

ADD HANDCRAFTED, FRAME-BY-FRAME CHARM.

Handmade stop-motion scene of [SUBJECT], tactile clay and miniature materials, visible crafted texture, playful staging, warm practical light, slightly imperfect frame-by-frame character.

TRY IT: a tiny robot packing an online order

05 /polaroid

CREATE A CANDID INSTANT-FILM MEMORY.

Candid instant-film photo of [SUBJECT], direct flash, soft grain, slightly faded colors, casual crop, authentic imperfection, warm nostalgic mood, white photo border.

TRY IT: friends launching their first pop-up shop

CODES 06—10

06

/bluehour

BUILD CALM TWILIGHT ATMOSPHERE.

Blue-hour image of [SUBJECT], cool twilight ambience, warm practical lights, subtle haze, balanced highlights, quiet cinematic contrast, realistic color and texture.

TRY IT: a neighborhood coffee shop before opening

07

/goldenhour

USE WARM LIGHT TO MAKE IT FEEL ALIVE.

Golden-hour portrait of [SUBJECT], low warm sunlight, long soft shadows, glowing edge light, natural skin and material tones, optimistic mood, realistic photography.

TRY IT: a landscaper beside a finished backyard

08

/macro

REVEAL TEXTURE PEOPLE NORMALLY MISS.

Extreme macro photograph of [SUBJECT], razor-sharp focal detail, very shallow depth of field, realistic micro-texture, controlled highlights, uncluttered background, premium lens quality.

TRY IT: condensation on an ice-cold soda can

09

/isometric

EXPLAIN A PROCESS AS A TINY 3D SCENE.

Clean isometric 3D scene of [SUBJECT OR PROCESS], organized objects, consistent 30-degree perspective, soft shadows, simple materials, clear visual hierarchy, minimal background.

TRY IT: how a lead moves through a sales funnel

10

/flatlay

ORGANIZE A STORY FROM DIRECTLY ABOVE.

Overhead flat-lay of [SUBJECT AND OBJECTS], balanced spacing, graphic composition, coordinated colors, soft even light, crisp edges, intentional negative space, social-post ready.

TRY IT: the tools used to record a podcast

CODES 11—15

11

/retroprint

GIVE MODERN CONTENT ANALOG PERSONALITY.

Retro screen-print poster of [SUBJECT], limited [COLOR] palette, bold simplified shapes, halftone texture, subtle ink misregistration, aged paper grain, no existing brand references.

TRY IT: a local pizza shop grand opening

12

/neon

MAKE NIGHTTIME CONTENT IMPOSSIBLE TO MISS.

Night image of [SUBJECT] with vivid neon lighting, wet reflective surfaces, deep shadows, electric color contrast, cinematic haze, crisp subject separation, realistic details.

TRY IT: a delivery bicycle outside a restaurant

13

/minimal

STRIP THE IDEA DOWN TO ONE STRONG VISUAL.

Minimal image of [SUBJECT], one clear focal point, simple [COLOR] background, generous negative space, restrained palette, soft controlled light, no clutter, no extra text.

TRY IT: one key on a red background

14

/surreal

ADD ONE IMPOSSIBLE TWIST THAT STILL FEELS REAL.

Photoreal surreal scene of [SUBJECT] with one impossible transformation: [TWIST]. Keep the lighting, shadows, scale cues, materials, and camera perspective believable.

TRY IT: a desk drawer opening into a tiny ocean

15

/luxury

SIGNAL PREMIUM WITHOUT VISUAL NOISE.

Luxury campaign image of [SUBJECT], premium materials, restrained neutral palette, elegant studio lighting, precise reflections, sophisticated composition, quiet confidence, no logos.

TRY IT: a handmade candle in dark glass

CODES 16—20

16 /comic

TURN THE MOMENT INTO A BOLD STORY BEAT.

Dynamic original comic-book image of [SUBJECT], energetic camera angle, strong ink contours, halftone shading, bold crop, dramatic motion cues, original visual language, no copyrighted characters.

TRY IT: a plumber defeating a burst pipe

17 /paperart

BUILD DIMENSIONAL DEPTH FROM SIMPLE SHAPES.

Layered cut-paper artwork of [SUBJECT], visible crafted edges, stacked paper depth, soft cast shadows, clean shapes, coordinated palette, tactile handmade finish.

TRY IT: a mountain town inside a location pin

18 /tinyworld

MAKE THE ORDINARY FEEL LIKE A MINIATURE WORLD.

Whimsical miniature world built around [EVERYDAY OBJECT], tiny people interacting with it at believable scale, tilt-shift depth, handcrafted detail, cinematic light, playful story.

TRY IT: tiny baristas working around a coffee mug

19 /explodedview

SHOW HOW SOMETHING WORKS IN ONE FRAME.

Precise exploded-view image of [OBJECT], components floating in orderly layers, consistent alignment, clean studio background, soft shadows, realistic materials, technical clarity, no labels unless requested.

TRY IT: the pieces inside a cordless drill

20 /beforeafter

MAKE A TRANSFORMATION INSTANTLY CLEAR.

Split-frame before-and-after of the exact same [SUBJECT], identical angle, scale, crop, and camera position. Left: [BEFORE]. Right: [AFTER]. Clear divider, believable continuity, no extra text.

TRY IT: a bland storefront turned into a cinematic ad

BUILD YOUR OWN SCROLL-STOPPING PROMPT

COPY THIS FORMULA

**/STYLE + SUBJECT + ACTION + SETTING
+ FRAMING + LIGHTING + CONSTRAINTS**

Example: /cinematic — A bright red toolbox opening in a dark workshop, low camera angle, dramatic side light, shallow depth of field, realistic materials, room for a headline, no logos.

THE 4-PASS UPGRADE

01

Get the idea right

Generate the basic subject and composition first.

02

Fix one thing

Ask for one targeted change instead of rewriting everything.

03

Protect what works

Say what must stay exactly the same: angle, crop, subject, text.

04

Format for the post

Request the final aspect ratio and leave space for your caption or headline.

SAVE THIS PACK. TRY ONE CODE TODAY. MAKE THE NEXT POST IMPOSSIBLE TO IGNORE.
